

APPENDIX

TABLE OF CONTENTS - BOOK

FOREWORD, *Kasra Ferdows*

SECTION ONE: INITIATING THE PROJECT

A Worldwide Survey of Manufacturing Practices, *D. Clay Whybark and Boo-Ho Rho*

SECTION TWO: WITHIN COUNTRY STUDIES

Textile Industry Practices in Australia, *Amrik S. Sohal and Danny Samson*

Manufacturing Practices in Chile, *Antonio E. Kovacevic, J. Claudio Lopez and D. Clay Whybark*

Manufacturing Practices in Mexico: An Example of the Non-Fashion Textile and Machine Tool Industries, *Benito E. Flores, Felipe Burgos and Arturo Macias*

Materials Management Practices of Finnish Manufacturing Companies *Allan Lehtimäki*

Manufacturing Practices in Korea, *Boo-Ho Rho and D. Clay Whybark*

Changes in Hungarian Manufacturing Strategies, *Krisztina Demeter*

Manufacturing Management Practices in Bulgaria Under Conditions of a Centrally Planned Economy, *Pavel Dimitrov and D. Clay Whybark*

Manufacturing Practices in the Soviet Union, *Alexander Ardishvili and Arthur V. Hill*

SECTION THREE: BETWEEN REGION COMPARISONS

Comparing Manufacturing Practices in the People's Republic of China and South Korea, *Boo-Ho Rho and D. Clay Whybark*

Reducing the Gap in Manufacturing Practices Between North America and the People's Republic of China, *Gyula Vastag and D. Clay Whybark*

Comparing Manufacturing Planning and Control Practices in Europe and Korea, *Boo-Ho Rho and D. Clay Whybark*

Comparing Manufacturing Practices in North America and Western Europe: Are There Any Surprises?, *Gyula Vastag and D. Clay Whybark*

A Comparison of Logistics Management in Hungary, China, Korea and Japan, *Robert B. Handfield and Barbara Withers*

Global Manufacturing Practices and Strategies: A Study of Two Industries, *Scott T. Young, K. Kern Kwong, Cheng Li and Wing Fok*

Cross-National Comparison of Production-Inventory Management Practices, *Attila Chikán and D. Clay Whybark*

SECTION FOUR: STUDIES OF OTHER RELATIONSHIPS

Global Relations Between Inventory, Manufacturing Lead Time and Delivery Date Promises, *Gyula Vastag and D. Clay Whybark*

Statistical Inventory Control in Theory and Practice, *Curtis P. McLaughlin, Gyula Vastag and D. Clay Whybark*

Determinants of Manufacturing Delivery Reliability: A Global Assessment, *Karen Brown and Gyula Vastag*

A DEA Analysis of Sales Output and Comparison of Manufacturing Practices in China, Hungary and the United States, *Xiao Cheng Zhong and D. Clay Whybark*

A Comparison of the Relative Productivity in the Machine Tool Industry for the U.S. and Japan, *John G. Wacker*

Are Customers Linked to Manufacturing?, *D. Clay Whybark*

Manufacturing Practices in a Transition Economy, *Attila Chikán and Krisztina Demeter*

SECTION FIVE: TECHNICAL CONSIDERATIONS

An Analytical Framework for Bilateral Comparisons in the GMRG Data Base, *Gyula Vastag and D. Clay Whybark*

Technical Considerations in Analyzing the Manufacturing Practices Data, *Gyula Vastag*

An Empirical Evaluation of the Worldwide Survey of Manufacturing Practices: Implications and Limitations, *John G. Wacker and Ling Feng Li*

SECTION SIX: COMPREHENSIVE COMPARISONS

Manufacturing Practices: Differences that Matter, *Gyula Vastag and D. Clay Whybark*

Compatibility of Manufacturing Practices, *Gyula Vastag and D. Clay Whybark*

SECTION SEVEN: FUTURE ACTIVITIES

Future Activities for the Global Manufacturing Research Group, *D. Clay Whybark*

Guidelines for the Second Round Survey, *Suggestions for GMRG Survey Research*

Manufacturing Practices Survey, *Global Manufacturing Research Group*

Data Entry Program, *Michael Bohlig and Gyula Vastag*

APPENDIX: GLOBAL MANUFACTURING RESEARCH GROUP DATA BASE

TABLE OF CONTENTS – Vol. 2

SECTION ONE: EVALUATION AND ANALYSIS OF THE DATA

An Empirical Evaluation of the Worldwide Survey of Manufacturing Practices: Implications and Limitations, *John G. Wacker and Ling Feng Li*

Technical Considerations in Analyzing the Manufacturing Practices Data, *Gyula Vastag*

SECTION TWO: EMERGING AND TRANSFORMING ECONOMIES

Manufacturing Management Practices in Bulgaria Under Conditions of a Centrally Planned Economy, *Pavel Dimitrov and D. Clay Whybark*

Changes in Hungarian Manufacturing Strategies, *Krisztina Demeter*

Manufacturing Practices in Mexico: An Example of the Non-Fashion Textile and Machine Tool Industries, *Benito E. Flares, Felipe Burgos and Arturo Macias*

Manufacturing Practices in a Transition Economy, *Attila Chikán and Krisztina Demeter*

SECTION THREE: CONTRASTING PRACTICES

A Comparison of Logistics Management in Hungary, China, Korea and Japan, *Robert B. Handfield and Barbara Withers*

A DEA Analysis of Sales Output and Comparison of Manufacturing Practices in China, Hungary and the United States, *Xiao Cheng Zhong and D. Clay Whybark*

Reducing the Gap in Manufacturing Practices Between North America and the People's Republic of China, *Gyula Vastag and D. Clay Whybark*

Global Manufacturing Practices and Strategies: A Study of Two Industries, *Scott T. Young, K. Kern Kwong, Cheng Li and Wing Fok*

A Comparison of the Relative Productivity in the Machine Tool Industry for the U.S. and Japan, *John G. Wacker*

SECTION FOUR: COMPREHENSIVE DATA RELATIONSHIPS

Statistical Inventory Control in Theory and Practice, *Curtis P. McLaughlin, Gyula Vastag and D. Clay Whybark*

Compatibility of Manufacturing Practices, *Gyula Vastag and D. Clay Whybark*

TABLE OF CONTENTS - Vol. 3

Supply, Logistics, Production Control and Global Cooperation, *Gary W. Clendenen, Peter Kelle, and Dan B. Rinks*

A Strategic Assessment of Mexican Non-Fashion Textile Industries, *Felipe Burgos-Ochoategui*

An Analysis of Manufacturing Practices in Mexico at the Machine Tool Industry During 1991 to 1993, *Benito E. Flores and Arturo F. Macias*

Logistics Management in Manufacturing Companies in Poland: An Example of the Machine Tool Industry, *Danuta Kisperska-Moron*

Restructuring and Changing Manufacturing Management Practices in Australia, *Marcia Perry, Amrik S. Sohal, and Danny Samson*

Management Information Systems, Innovative Capacity and Organizational Competitiveness, *Ad W. M. Teulings*

Technological Constraints on Strategic Manufacturing Goals: How Relevant Are Product and Process Layouts for Competitive Advantage and Profitability?, *John G. Wacker*

Machine Tool Company Practices and Performance: A First Look, *D. Clay Whybark*

Great Changes of Manufacturing Practices in Chinese Machine Tool Industry, *Xiao Cheng Zhong and Dong Shu Hong*

TABLE OF CONTENTS - Vol. 4

Explaining Manufacturing Performance Differences, *Tanya Boone and D. Clay Whybark*

Preliminary Study to Determine the Needs of Small Manufacturing Companies in New Zealand, *Eu L. Loo and Simon F. Hurley*

Manufacturing Planning and Control in Korea: Dynamic Perspective, *Boo-Ho Rho, Yung-Mok Yu and Soong-Hwan Chung*

A Comparative Study of Manufacturing Practices Between China and Mexico, *Xu Wei, Xiao Cheng-Zhong and Arturo Macias*
